

Pres.	Carl Gray	K7ECW
Vise Pres.	Ray Blanke	KC7MRM
Treas.	Ralph Roggenback	N2RJR
Sec.	M. Rick Ouzts	WA7NWN

Carl Gray conducted the meeting.

Carl asked everyone to introduce themselves.

An agenda was Emailed to most everyone and he started going down the agenda list.

- 1 501C3 To change the nonprofit status of the club. Meet with an attorney about the by club laws and what we want to do. Still working on it and a 1023 form for the IRS.
- 2 Randy Greeley, NU7D, reported on some things that are being worked on.  
Equipment maintenance : Bill Czarnecki is getting another monitor for the IRP.
- 3 Will check on the river gauges tomorrow and see how they are doing.
- 4 Randy when to a regional meeting in Vancouver about how long the phone company would take to recover for an outage. Also they talked about and exercise between Wahkiakum and British Columbia if a gas line exploded and was down for over a week.
- 5 Reported on the transport of dialyzes patients,
- 6 Carl went to a class called Stop the Bleed. They discussed when to use a tourniquet and when not to. are being tourniquets use more now. They are made of Velcro for easier use.
- 7 ELT practice was held here last month. Jeff, KJ6ETR, talked to us about the mapping program he uses when we are doing ELT plotting. The next practice should be on May 18.
- 8 UAS (Unmaned Aircraft Systems) Randy talked about drone pracitices and what we can do with them to the new people at the meeting.
- 9 Bill Czar , Steve Ragan, and Ralph Roggenback took some drones to Wahkiakum county to record a training. They recorded some dogs running through trees, hard to see dogs under the trees. It was a good practice.
- 10 A 5<sup>th</sup> Saturday is coming up and there will be a regional drill.
- 11 Randy plans to change the batteries in the Kalama river gauges.
- 12 UAS project on Mt St Helens will have to wait for the snow to melt. Plan to use drones to map and record the river bank erosion so it can to stopped by planning trees.

13 Web site. Ralph forwarded some pictures to Wally so he could put them on the web page.

14 The WX station had a problem and has been worked on and is OK now.

Good of the Order:

1 Jeff, KB7PMO, has been teaching a Technician License class and it is about to end. They plan to take test on May 11.
