Old / New Business

Approved the April minutes.

Butch and Ralph working with the new 911 building. Tower is too far from the ACS location. Requested an antenna nearer the station. The building board agreed to run coax at their cost. Received two bids for two antennas. 1 public works antenna and 1 tri-band antenna.

Work needs to be done at the Rainier site.

ELT training transmitter is up and running. Need more interested bodies. Looking for a grant to get new equipment.

Tour de Blast 18 June

Good of the Order

Thank you Matt for taking care of the yard. Looks good. Matt would like some help.

Adjourned: 1915

Respectfully submitted,
 Jeff (KJ6ETR)
