Old Business

Approved the October minutes.

The hybrid meetings will continue for now.

ACS still needs a storage solution. If you have an idea for storage please forward it to one of the ACS officers.

We need to install backup cameras in the Comm Van (Ralph has them).

We need a first aid kit for the Comm Van. Need to purchase.

Ray mentioned the Comm Van was unlocked. Don't know who all have keys. Is it OK to park the Comm Van a bit farther forward to access the back?

We still need additional UAV (drone) pilots. Requires certification to officially operate a UAV for the county. Requirements can be found at:

https://www.faa.gov/uas/commercial_operators/become_a_drone_pilot

New Business

Fall is here and bad wx is starting. Be prepared.

Trying to determine who has the ACS Twitter account. Maybe start a new Twitter account.

For the Good of the Order

Masen brought up the LCARA WINLINK. Butch requested a presentation on the new features.

ACS received gift bags from the Chaplaincy. Will be distributed.

Connie discussed the Walk and Knock. We need to contact the organizers to see if they want to use us?

Ralph reminded us that if we do something with ACS we need to claim time mileage. Report it to Butch or Ralph.

Adjourned: 1920

Respectfully submitted,
Jeff (KJ6ETR)
Secretary
